

OAK HARBOR APPLE FESTIVAL SPONSORSHIPS

*Second Full
Weekend
in October!*

As we begin to plan for our Annual Apple Festival, the Oak Harbor Area Chamber of Commerce and its team of dedicated volunteers are looking forward to bringing you wonderful celebrations showcasing quality family entertainment. To make this event an on-going success, we need your help! The Oak Harbor Apple Festival attracts over 20,000 visitors each year to our downtown for a full weekend of shopping, entertainment, food, and family fun. This is one of the largest events in Ottawa County and a unique opportunity to showcase your business in front of thousands of potential customers!

If you would like to support the Apple Festival, sponsorship information is below. There are several options available to fit every budget. Your donation will help with the major costs involved in bringing this event to the community. All checks should be made payable to the Oak Harbor Area Chamber of Commerce. To be included in advertising, donations must be submitted by September 1st. If you have any questions about your donation commitment, please contact Tabitha at 419-898-0479.

We appreciate the generosity that your business has provided to community events and celebrations, and we look forward to continue bringing the community great entertainment! From the Grand Parade to the Car Show, Apple Run, live music, and 120+ vendors lining our downtown streets, the Apple Festival is a tradition families plan their year around.
